MR. L. R. HANKS

We, the Ranger Staff of 1969,
dedicate this book to the
memory of Mr. L. R. Hanks,
a long time supporter and
friend of Central School.

A trusted friend, a gentle man,
A memory never spent,
A smiling face, a tender heart
Remembered acquaintance lent.

The need is felt or rather missed
Of his rare character so great
But often times we do forget
And lose more than we anticipate.

Canceled or finished, perish the thought
We are just missing a friend
One not gone, nor near, nor far,
Just thoughts that can never end.

This book will bring memories of the 1968-69 school year long after our school days have been finished.

The yearbook has been provided after many long hours of organizing materials by students, excellent leadership of the sponsor, Mrs. Owens, and the fine cooperation of the business men when they purchased ads to provide funds to help pay the cost of the books.

Congratulations to all of you for a job well done.

I would like to express my appreciation to the annual staff and sponsor for their achievements in making all of us aware of the many good things we can remember about our 1968-69 school year.

One yardstick used to measure the success of any school, is the degree of cooperation between the school and home. By this measurement we have had a good school year.

Another measurement is the rapport which has been developed between teacher and students. At Central, a pleasant, businesslike atmosphere pervades the classrooms. Each student is treated as an individual. The entire student body exhibits an air of genuine friendliness which is readily apparent to all visitors and new students.

My special thanks to our Superintendent, Board of Education, faculty, and student body for your part in making our school one that we can speak of with great pride.
